DE Allgemeine Informationen

Bei der Montage sind die nationalen Installations- und Unfallverhütungsvorschriften, sowie die Warnhinweise ESD-Schutzmassnahmen zu beachten.

Reinigung

Reinigung der Leuchte: Die Reinigung der Kunststoffteile ist mit einem weichen Tuch und ggf. mit einem handelsüblichen, pH-neutralen, nicht scheuernden Reinigungsmittel vorzunehmen.

Warnhinweise

Zur Vermeidung von Gefährdungen darf eine beschädigte, äussere, flexible Leitung dieser Leuchte ausschliesslich vom Hersteller, seinem Servicevertreter oder einer vergleichbaren Fachkraft ausgetauscht werden.

EN General information

For installation, observe the statutory installation and safety regulations and the warnings regarding electrostatic discharge.

Cleaning

Cleaning the luminaire: Clean the plastic parts with a soft cloth and a conventional, neutral and non-abrasive detergent.

Warnings

For safety reasons, damaged, exposed flexible cables of this luminaire must be replaced by the manufacturer, an authorised service agent or a suitably qualified electrician.

FR Informations générales

Lors du montage, observer les normes nationales d'installation et de prévention des accidents ainsi que les consignes relatives aux mesures de protection ESD.

Entretien

Entretien du luminaire: l'entretien des parties en plastique doit être effectué avec un chiffon souple et éventuellement avec un produit nettoyant classique disponible dans le commerce, à pH neutre, non abrasif.

Avvertissements

Pour éviter tout danger, une ligne flexible, extérieure, endommagée, de ce luminaire peut être remplacée uniquement par le fabricant, son représentant pour l'assistance ou par une main d'œuvre spécialisée équivalente.

IT Informazioni generali

Nel montaggio occorre osservare le prescrizioni nazionali di installazione e prevenzione degli infortuni nonché le avvertenze relative alle misure di protezione ESD.

Pulizia

Pulizia della lampada: La pulizia delle parti in plastica deve essere eseguita con un panno morbido ed eventualmente con un detergente comunemente disponibile in commercio, con pH neutro, non abrasivo.

Avvertenze

Per evitare qualsiasi pericolo, una linea flessibile, esterna, danneggiata, di questa lampada può essere sostituita esclusivamente dal costruttore, il suo rappresentante per l'assistenza oppure da manodopera specializzata, equivalente.
